General - Product Guides

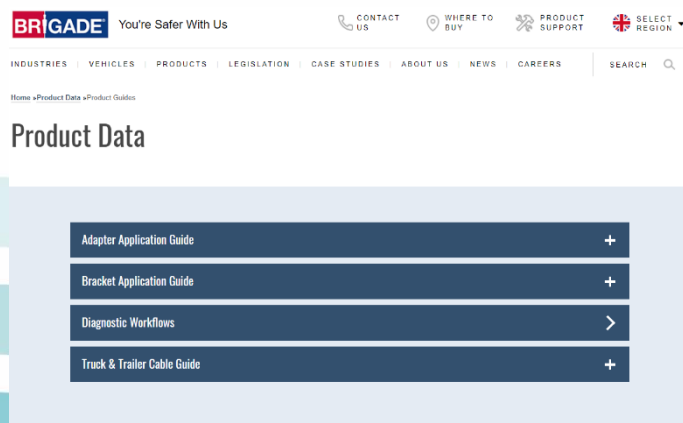

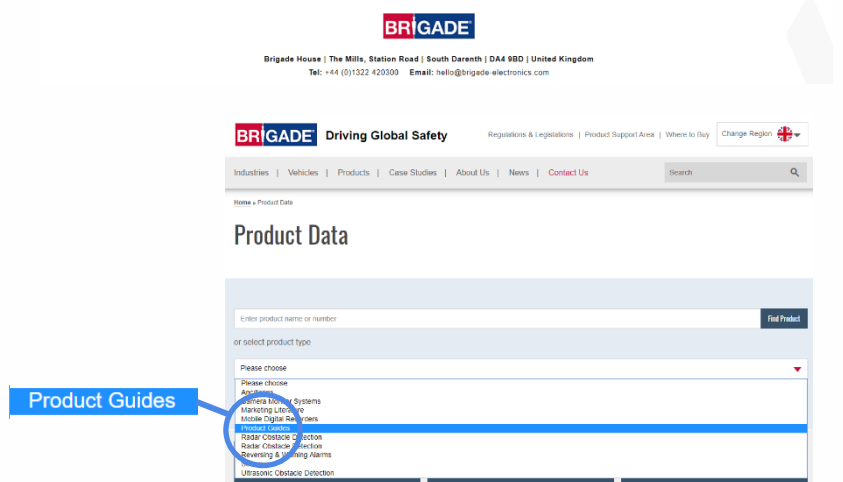

Related Products — Adapter Cables, Brackets and Truck & Trailer Cable Guides

In addition to the core products, Brigade also produce other items to compliment the range. These include Adapter Cables, Brackets and Truck & Trailer Cables.

To help customers identify these items, individual guides have been produced. To find these guides on the Brigade website click on **Product Support** area (1), then click **Product Data** (2).

When in **Product Data** select **Product Guides** from the dropdown list.

Clicking on the required Tab will give the user access to the guides available for download.
