Related Products – MDR Dashboard 5.0 Software (MDR-500 and MDR-400 Series only)

To ensure customers have the latest software, Brigade has changed how the MDR-Dashboard 5.0 is downloaded.

To find the MDR-Dashboard on the Brigade website click on **Product Support Area(1)**, then click **MDR Dashboard(2)**.

When on the **MDR Software Update** page fill in the details and submit. [Make sure the **Country** is selected otherwise the emailed link may not be received correctly]. The email will be received from; brigade.electronics@brigade-mail.com

(The customer details captured are used to email out the latest updates and firmware.)

On receipt of the **Software Update** email click on the **Download MDR Dashboard** link and follow the install wizard. If an email has not been received check Spam folder. If still not received contact Brigade Electronics.
